Formica Infiniti™

Anti-Finger Print
Soft Touch
Anti-Microbial
Thermal Healing

2200-AN Dark Chocolate

As beautiful as it is durable, Formica Infiniti™ surfacing features a soft-to-the-touch super matte finish, resists fingerprints, has thermal healing capabilities and built-in anti-microbial surface protection. This technology stops the growth of mildew and mold, which can cause stains and odors.

Formica Infiniti™ surfacing is right at home in cafes, casual diners and quick-service restaurants, hotels and stores, healthcare, commercial offices or any setting that calls for countertops, tables, doors, partitions, cabinets and furniture. It is also available in all standard Formica® Brand colors
