

Titebond®

TITEBOND PAINTER'S CAULK

Titebond® Painter's Caulk is an economical, easy-to-use caulk that is formulated for interior pre-paint preparation. It offers good weather-resistance and provides a strong bond to most common building materials, including wood, metal, glass, masonry, aluminum and brick. It can be used for sealing joints, repairing cracks and back-filling gaps.

Titebond Painter's is de-aired for a smooth, uniform bead that extrudes and tools easily. It is intended for interior use and can be painted with a water-based interior paint with one coat and will not bleed through the paint. Titebond Painters is a non-stringing formula that won't sag or drool and it has excellent bead cut-off. It also cleans up with soap and water when wet.

- Fills gaps, seals joints and repairs cracks
- Paints easily with one coat
- Dries quickly & provides a tight seal
- Uncured material cleans up with soap & water
- Minimal odor
- De-aired for a smoother bead
- Mildew resistant

TITEBOND PAINTER'S PLUS CAULK

Titebond® Painter's Plus is a high-quality, versatile siliconized acrylic caulk that is designed for both interior and exterior applications. It offers an excellent flexible, air-tight, water-resistant seal and provides a strong bond to most common building materials, including wood, metal, glass, masonry, aluminum and brick. It is ideal for sealing joints, repairing cracks and back-filling gaps.

Titebond Painter's Plus is de-aired for a smooth, uniform bead that extrudes and tools easily. It can be painted with a water-based interior paint with one coat and will not bleed through the paint. Titebond Painters Plus is a non-stringing formula that won't sag or drool and it has excellent bead cut-off. It also cleans up with water when wet.

- Seals joints, repairs cracks and fills gaps
- Paints easily with one coat
- Provides a flexible, watertight seal
- Tools easily and cleans up with water
- No residual odor
- De-aired for a smoother bead
- Mildew resistant

TITEBOND 100% SILICONE SEALANT

Titebond® 100% Silicone Sealant is a versatile 100% silicone formula that is ideal for both interior and exterior applications. It offers excellent adhesion to many common construction materials, including vinyl, aluminum, glass and painted surfaces. It also provides a strong, flexible seal that offers excellent water-resistance.

When fully cured, Titebond 100% Silicone Sealant can withstand extreme temperature conditions. It will not crack or become brittle with age and resists fading or yellowing. It also extrudes easily in lower temperatures and dries quickly.

- Designed for interior and exterior applications
- Excellent adhesion to most building materials
- Provides a watertight, mildew-resistant seal
- Withstands extreme temperature changes
- Will not crack or become brittle
